INDEPENDENT AUDITOR'S REPORT

To the Members of New Democratic Party Caucus

We have audited the accompanying financial statements of New Democratic Party Caucus, which comprise the statement of financial position as at March 31, 2017 and the statements of operations, changes in net assets and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. NATURE OF OPERATIONS

The Caucus office provides research, secretarial and general services for the New Democratic Party of Saskatchewan Members of the Legislative Assembly. The Caucus is a registered not-for-profit organization and is exempt from income taxes.

The Caucus receives funding from the Legislative Assembly pursuant to various directives adopted by the Legislative Assembly's Board of Internal Economy.

The Caucus year end coincides with the fiscal year end of the provincial government. In the event of a provincial election, the Caucus is dissolved the day before polling day and a new Caucus begins the day after.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNFPO).

Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Financial assets including cash and accounts receivable are reported at amortized cost.

Financial liabilities including accounts payable and accrued liabilities are measured at amortized cost.

Revenue recognition

Allowances and grants are recognized on a monthly basis per the directives of the Board of Internal Economy. Interest and other income is recognized in the period earned.

Capital assets

Capital assets are stated at cost less accumulated amortization and are amortized over their estimated useful lives at the following rates and methods. One half year of amortization is taken in the year of acquisition.

6. FINANCIAL INSTRUMENTS *(continued)*

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. The Caucus does not have significant exposure to interest rate risk.

7. CAUCUS SURPLUS
