

LEGISLATIVE ASSEMBLY OF SASKATCHEWAN

PRACTICAL GUIDE TO PETITIONS

APRIL 2016

Introduction

Each year, a variety of petitions addressing public policy issues or personal grievances are presented to the Legislative Assembly of Saskatchewan. A petition is a request from an individual or a group of individuals to a parliament or legislature for some action. Petitioning a parliament is an ancient right first exercised in England that the Legislative Assembly of Saskatchewan inherited along with the parliamentary system of government.

This guide is intended to summarize the practices and procedures that must be followed when exercising the right to petition the Legislative Assembly of Saskatchewan.

Form of a Petition

There is a prescribed form to a petition, containing traditional language and phrases.

Sample petition

A model petition is outlined below. It can be found in Appendix 2 of *The Rules and Procedures of the Legislative Assembly of Saskatchewan*.

Petition to the Legislative Assembly of Saskatchewan

We, the undersigned residents of the Province of Saskatchewan, wish to bring to your attention the following:

(Briefly summarize the problem or grievance and any necessary background information)

We, in the prayer that reads as follows, respectfully request that the Legislative Assembly of Saskatchewan:

(Outline the action the Legislative Assembly is being asked to take or not to take)

Name (print)

Address (print)

Signature

Please note: The name and address of the persons who sign this petition may be made available to the public if the petition is in proper form to be presented to the Legislative Assembly.

Parts of a Petition

Addressee

Petitions must be clearly and respectfully addressed to one of the following:

- the Legislative Assembly of Saskatchewan;
- the Government of Saskatchewan;
- a Minister of the Crown; or
- a Member of the Assembly.

Text

The subject matter of the petition must be expressed in temperate language. Offensive or inflammatory language will not be accepted. The body of the petition consists of the grievance and the prayer.

Grievance

The petition should contain a summary as to why the petition is being presented to the Assembly and the problem or grievance that the petition wishes to address. It is common to include any background information that is necessary or useful in understanding why the petition is being made. The format for the grievance is outlined below:

We, the undersigned residents of the Province of Saskatchewan, wish to bring to your attention the following:

(Briefly summarize the problem or grievance and any necessary background information).

Prayer

The purpose of the prayer is to seek various reliefs for the petitioner, such as to have an amendment made to a law or to obtain a change in government policy. In other words, a petition seeks action in response to a grievance.

The petition should conclude with a prayer which requests the action to be taken or not taken by the Legislative Assembly in response to the grievance. The format for the prayer is outlined in the example below:

We, in the prayer that reads as follows, respectfully request the Legislative Assembly of Saskatchewan to (cause the government to enact legislation to...)

Content

- The petition should contain a clear request for a remedy that is within the legislative competence of the Assembly or that is within the jurisdiction of the province of Saskatchewan to grant.
- Petitions that address matters within the purview of the federal government or which have been delegated to another body will be ruled out of order and not received.
- The petition may call for the expenditure or grant of public funds or for a charge on the public revenue.
- There can be no additions, alterations or erasures on the petition. This is to ensure that the text of the petition is not altered after the signatures have been inscribed, thereby ensuring that the petitioners are in agreement with the terms of the petition.
- The subject matter and prayer are required to be on every sheet if there are more than one sheet of signatures and addresses.

Signatures

The petition must contain only original signatures and addresses written directly on the petition. A photocopy, facsimile, or an electronic version is not acceptable.

The petition must contain at least three signatures from persons other than Members of the Legislative Assembly who are residents of the province of Saskatchewan. Additional signatures shall not be pasted or otherwise attached or transferred to the petition. There is no minimum age requirement for anyone signing a petition.

Language

The petition may be in either official language (English or French).

Paper

Petitions may be written, typed, or printed on paper of usual size. What matters most is that the petition is legible.

Presenting Petitions to the Assembly

Various conditions govern the presentation of petitions. A petition must contain at least three signatures from residents of Saskatchewan. A petition signed exclusively by non-Saskatchewan residents is not acceptable.

Individuals do not possess the right to address the Assembly directly. Instead, their petitions must be dated, endorsed (i.e. signed), and presented by a Member of the Legislative Assembly.

Members of the Legislative Assembly

Members are not required to present a petition on someone's behalf, and no recourse exists against a member who refuses to do so.

Presenting a petition does not necessarily indicate that a member supports it. There are instances where members have presented petitions with which they disagree. The member is responsible for ensuring that the petition does not contain any impertinent or improper matters.

Members may choose to present a petition in one of two ways:

- The member may wish to orally present the petition during the period of time provided for this during routine proceedings. In doing so, the member may read the prayer and then briefly indicate the localities from which the petitioners come.
- A member may present a petition simply by forwarding it to a Clerk-at-the-Table in the Assembly during any sitting.

Conditions for Orally Presenting Petitions

- The period for presenting petitions cannot exceed one hour.
- Debate is not permitted on any matter on or in relation to the petition.
- A member will be recognized once to present a petition.
- No more than one petition on a subject may be presented orally per day.

Endorsement by Member

Every member that presents a petition must sign the front page of the petition.

Reading and Receiving Petitions

Once a petition has been presented, it will be reviewed by the Clerks-at-the-Table. If it is found to be in order, it will be formally recorded as "read and received" the following day in the *Votes and Proceeding*, which is the official record of the Assembly.

During routine proceedings, the Assembly will be orally advised of any petition that is found to be irregular. The Assembly will be advised of petitions that are found to be irregular in form or content, or in breach of the privileges of the Assembly. These petitions will be rejected. Petitions that are rejected are returned to the member who presented them.

Government Response to a Petition

The government may respond to any petition that has been read and received. Responses to petitions shall be tabled at the designated time after routine proceedings.

Petitions are Public Documents

Petitions that have been read and received become a sessional paper and are considered public documents.

Examination of Petitions

All petitions that have been received, including the names of those who have signed them, may be examined by the public in the Office of the Clerk. Please contact (306) 787-2279 for further information.

Historical Records

A petition will be retained in the sessional records of the Legislative Assembly and subsequently form part of the historical archives of the province. Petitions that are not read and received by reason of the prorogation or dissolution of the Assembly will not be included as part of the public record.
