Local History Bibliography Supplement

In 2005, the Saskatchewan Legislative Library published a list of all the local histories in its collection in a bibliography entitled *Saskatchewan Local Histories at the Legislative Library*.

New books are being published all the time and as we become aware of new titles they are ordered and added to our ever-growing collection of local histories. Because of this we have created this supplement of recently added local histories, more specifically, local histories that have been published since 2005.

Copies of *Saskatchewan Local Histories at the Legislative Library* are still available for sale and can be purchased through the Queen's Printer (<http://www.publications.gov.sk.ca>), or by contacting the circulation desk at (306) 787-1823 or circulation@legassembly.sk.ca.

The cost of the bibliography is \$20 (including shipping and GST) if you would like it mailed to you and \$15 (including GST) if picked up in person. The Library accepts cash or personal cheques only. Credit card purchases may be made through the Queen's Printer.

If you wish to consult one of our local history volumes, please contact the reference desk at (306) 787-2276 or reference@legassembly.sk.ca and the items you require will be retrieved for you.
