

## MLA Maiden Speeches

Updated November 23, 2017.

- A "maiden speech" is defined here as the first time that a Member makes a speech in the House. A more complete definition, as well as an explanation of the non-traditional first speeches, can be found at the end of this document.
- The *Debates and Proceedings* of the Saskatchewan Legislative Assembly began in 1947. Links to the maiden speeches in the electronic version of the *Debates and Proceedings* (Hansard) have been included.

## Notes:

A "maiden speech" is defined here as the first time that a Member makes a speech in the House, subject to the following conditions. "Traditional" maiden speeches usually are considered to be given either during the Address-in-Reply to the Speech from the Throne, or during the debate on the Budget Speech. The speech will occur after that Member's election, while the Legislature is in session. Therefore, to qualify the speech must be made during:

- Address-in-Reply to the Speech from the Throne, or
- Debate on the Budget speech.

Although the following types of speeches may be first actual speeches in the House, they are not considered to be "traditional" maiden speeches: (See footnote 1 below for a list of first actual speeches)

- Ministerial Statements;
- Member's Statements;
- Debate on a bill, or a Minister's 2<sup>nd</sup> Reading introduction of a bill\*;
- Condolence Motions\*;
- Emergency Debates;
- Resolutions;
- Motions under Rule 59. (Previously, this was Rule 46).

\*Traditionally, Condolence Motions are introduced near the beginning of a new session or legislature and thus, many MLAs have actually spoken in relation to them for their first speeches. New Ministers who are also new MLAs, for example, may rise to introduce 2<sup>nd</sup> Reading of a bill or to speak on some other matter (not including Question Period) before addressing the Assembly in the Throne Speech Debate or Budget Debate. These 2<sup>nd</sup> Reading speeches are then considered their first speeches.

Also excluded from consideration for maiden speeches are:

- all exchanges in Question Period,
- all Motions for Return advising of written questions to be asked,
- all interjections during another Member's speech,
- all introductions of guests,
- all speeches given in committee, except before the Committee of the Whole [House] as listed above under inclusions, and
- all responses to Ministerial Statements, since these often involve questions from Opposition Members, and, thus, are considered analogously to Question Period.

It may not be necessarily the case that a Member speaks in the first session following a general election. For example, the 17<sup>th</sup> Legislature, 1<sup>st</sup> Session, 1971 and the 18<sup>th</sup> Legislature, 1<sup>st</sup> Session, 1976 did not include a Budget, so any new MLA who did not speak to the Address-in-Reply to the Throne Speech gave his/her maiden speech in the following session (such as Elwood Cowley, Larry Birkbeck and Dennis Ham).

## **Footnotes:**

1 - Where the first actual speech is not a “traditional” maiden speech, such speeches have been noted in the following separate list. Where “same as above” is indicated, both the Member’s true first speech and his or her “traditional” maiden speech were delivered the same day.

**1A** – Gordon Currie adjourned Debate on the Throne Speech, March 23, 1983, at p. 215, with these words: “Mr. Speaker, in my opinion, it is a good throne speech but I have more to say and beg to adjourn debate.” For whatever reason, Mr. Currie did not return to this Debate; the final vote was taken on March 28, 1983, and the Speech was engrossed and presented to His Honour the Lieutenant-Governor, to be succeeded at the next sitting by the Committee of Finance and the Budget Speech. This, technically, is the shortest Throne Speech Debate ever found, and also the shortest Maiden Speech. Currie then spoke on the Budget in April 1983, and this has been referenced above.

**2** – (Axworthy, Elhard and Yates) Elected in a by-election 1999-06-28, but never took their seats in the 23<sup>rd</sup> Legislature before the general election of 1999-09-16, resulting in the Member's first speech in the 24<sup>th</sup> Legislature.

**3** – Allan Kerpan took his seat on the last day of the last session of the 24<sup>th</sup> Legislature, June 27, 2003, but did not deliver a traditional maiden speech until he was re-elected to the 25<sup>th</sup> Legislature.

**4** – Darrel Cunningham did not deliver a traditional maiden speech until the 4<sup>th</sup> Session, 22nd Legislature, when he participated in the Budget Speech debate.

**5** – Gordon Wyant took his seat at the very end of the 3<sup>rd</sup> Session, 26<sup>th</sup> Legislature, October 27, 2010, in the morning just ahead of that Session’s prorogation speech, but his first appearance in Hansard did not occur until the next day, in the 4<sup>th</sup> Session of that same Legislature.

**6** – Mr. Speaker referred to Ryan Meili’s first Member’s Statement on Monday, March 6 2017 as “the shortest maiden speech ever.” On Monday, March 13, 2017, Mr. Meili referred to his 2<sup>nd</sup> Reading debate speech as his “made-in-Saskatchewan maiden speech.” For the purposes of this document, neither of these speeches is considered Mr. Meili’s actual maiden speech.
