

Adopted by the Board of Internal Economy February 23, 2004

DIRECTIVE #7.3
(s.54(a) - c.L-11.3)

CAUCUS INFORMATION TECHNOLOGY RESOURCES

- (1) Following the returns to the writs of election, there shall be paid to each caucus of the Legislative Assembly, a grant in the amount of \$1,000 per elected Member belonging to that caucus, to be used for information technology enhancements in the caucus office. Information technology enhancements include the purchase of information technology hardware and software, technical computer support, maintenance and system development expenses.
- (2) The grant amount specified in clause (1) shall be subject to all of the accountability requirements specified in Directive #23 – *Caucus Accountability and Disclosure*.
- (3) This amount shall be paid to the caucus once each term of the Legislature.
