Legal Requirements for Government Ministries, Crown Corporations, Agencies, Boards and Commissions

The following information will assist you in meeting your tabling requirements. A list of the Acts or resolutions that require a report or statement to be laid before the Assembly is also attached. This list is updated annually.

REQUIREMENTS:

Documents to be tabled fall into four main categories:

1. Standard Tabling Provision

A majority of the Acts will cite *The Executive Government Administration Act*, sections 12 and 13. The information can be found on page 3 of the attached document.

2. Non-Standard Tabling Provision

These Acts require something more than the standard information. This information can be found on pages 8 to 23.

3. Crown Corporations

The Crown Corporations Act, 1993 is of broad application to most Crown corporations which specifically require certain Crown corporations to table a report or statement. This information can be found on pages 23 to 29.

4. Professional Association Bylaws, Rules and Regulations

Professional associations are required to file their bylaws, rules and regulations with the Ministry of Justice and the Minister of Justice is required to lay them before the Legislative Assembly in accordance with section 13 of *The Executive Government Administration Act*. This information can be found on pages 30 to 32.

If you have any questions about the legislative requirements, please contact **Colette Wolos at 306-787-2279**, email: cwolos@legassembly.sk.ca.

Process for Tabling Documents

REQUIREMENTS:

Assembly Sitting

When the Assembly is sitting, the minister must table the document by depositing it with the Clerks-at-the-Table in the Chamber. When a document is tabled during a sitting of the Assembly, the minister or member who tables the report must provide a letter citing the authority under which the report is submitted. If the letter is not published as part of the report, then a separate original letter **must** accompany the report when it is tabled. The tabled document will then be distributed. Please be advised that it is not permissible to **file** a report with the Clerk on days the Assembly does not meet during the sessional periods of sitting (i.e. Fridays, designated non-sitting days).

Assembly Not Sitting

Many documents have tabling deadlines outside of Assembly sitting periods. When documents are filed with the Clerk outside of Assembly sitting periods, a covering letter signed by the minister (or acting minister) **must** accompany the copies of the annual reports that are being submitted for tabling pursuant to *The Executive Government Administration Act*. **The letter must specify the date on which you want the document tabled [distributed] and cite the authority pursuant to which it is to be tabled.**

Examples of tabling letters can be found on pages 1–2 of the attached document.

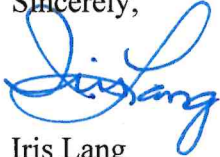

The numbers of reports required are as follows:

- Crown corporations 13 copies
- All other Government of Saskatchewan ministries, authorities, boards, or commissions 9 copies
- One electronic copy (PDF preferred) to be e-mailed to deposit@legassembly.sk.ca if an electronic copy is issued for public distribution (must be sent within 24 hours of its online publication; please do not send prior to public distribution).

The annual reports should be delivered to Procedural Services, Room 14 in the Legislative Building. If you have any questions about documents required to be tabled in the Assembly, please contact **Procedural Services at 306-787-9930**, email: committees_branch@legassembly.sk.ca.

The attached Tabling of Documents guide is available on the Legislative Assembly website at <https://www.legassembly.sk.ca/legislative-business/> under the “Related Documents” heading.
